

SHOWER Protect™ PLUS

Shower Protect Plus is a Nano Technology Glass Care & Protection Coating that provides protection for shower glass. This advanced ultra-thin coating repels water, lime scale, and soap scum along with other contaminants. It is no longer necessary to use harsh chemicals to retain the beauty of your crystal-clear glass shower enclosures. Shower Protect Plus comes with a Written Limited 5 Year Warranty.

The Shower Protect Plus Kit provides the following:

- Easy and Fast Protection for your Shower Glass with Long Term Performance
- A deep cleaner to remove soap scum and other contaminants to prepare the glass surface
- Provides protection for two shower enclosures – treats up to 172 square feet of glass
- Excellent scratch resistance
- 5 year warranty for Professionally (Technician) Installed Service

This nano technology is a top seller in over 60 countries and is now available in North America.
